      <p class="about-text">
        I'm a 4th-year Computer Engineering student with a deep passion for technology, programming, and web development. Ever since I started coding, I've been fascinated by how lines of code can create something useful and impactful.
        <br><br>
        I love learning new skills and taking on challenges that push me to grow. Right now, I'm focusing on mastering web development and database management, with the goal of building applications that make everyday tasks easier for people. Thank you for taking the time to explore my work — I'm excited to connect with you!
